Mr Wong Lup Wai

Group Executive Vice President

Group Chief Operating Officer

Hyflux

MBA (Accountancy), 1995

Mr Wong Lup Wai is Group Executive Vice President and Group Chief Operating Officer for Hyflux. He oversees the Group's global projects execution portfolio as well as manufacturing of membranes and membrane standard systems.

Mr Wong spent 25 years with Philips Electronics Singapore, including a three-year stint at Philip's joint venture factory in Suzhou, China where he had global roles in general management, operations management, project management, purchasing and innovation and development. He was the Managing Director of Philips Singapore from 2009 to 2012. Under his leadership, Philips Singapore won the inaugural Tripartite Alliance for Fair Employment Practices Exemplary Employer Award in 2010.

Mr Wong holds a Bachelor in Civil Engineering from the National University of Singapore and a Master in Business Administration from the Nanyang Technological University. He is also currently a member of the Nanyang Business School Alumni Advisory Board.
