

NBS Alumni Leaders Dialogue

Speaker:

Mr Vincent Kok

Chief Investment Officer

Delphi Capital Management (New York)

Bachelor of Accountancy, 1991

Vincent is currently the Chief Investment Officer of Delphi Capital Management (New York).

Prior to his current stint, he was Head of Global Bonds with Fisher Francis Trees & Watts (New York). He had also led State Street Global Advisor's International Fixed Income Group from London, where he was responsible for 7 investment centres across Europe and Asia, managing close to \$100 billion.

Besides managing portfolios, Vincent was also trained in pricing and trading derivatives at Rabobank in Utrecht and Singapore. He started work as a central banker with the Monetary Authority of Singapore.

A Chartered Financial Analyst, he holds a Master of Science in Financial Management from the University of London, and a Bachelor of Accountancy (1st Class Honours) from Nanyang Technological University.
