

HR Alumni Networking Nite

Speaker:

Mr Darryl Parrant

Singapore Leader for Talent & Rewards

South Asia Leader for Future of Work

Willis Towers Watson

Darryl comes from an academic, corporate HR and consulting background. He was Senior Lecturer at Canterbury University in New Zealand, and has worked and presented overseas at conferences and conducted research and consulting and/or facilitation work in over 14 different countries.

Darryl has over 20 years of experience as leading consultant and business leader, and has worked on a range of HR, OD, Talent, Change, Learning and Leadership Development projects in the private and public sectors - having partnered on large projects with many ministries and statutory boards, F500 companies regionally and large-listed and growing SMEs. Most recently, he has presented a number of keynotes on the Future of Work, Assessing Talent in Future, Risk, People & Culture, Future Proofing in Talent, and the growing impact these on businesses, HR teams and leadership behaviour.

Darryl has published over 30 articles relating to HR Strategy, Change, Digital Disruption, Future of Work / Talent, Learning and Development, Talent Management and Leadership Development. His latest research interests relates to future of work, millennial talent development, as well as leadership behaviour change in a disruptive technological world.

About Darryl's Sharing

In his sharing, Darryl will be presenting on the "Future of Work": As Singapore restructures its economy, the nation is starting to see its technology investments take shape. Organisations operating in Singapore need to keep pace and rethink the way they do business and enable their talents to perform in this digital economy. Find out how employers are moving towards a future workplace and managing emerging work options from contingent labor to AI and robotics.
