

Nanyang MBA Alumni Association Health Talk: Colorectal Surgery

Dr Heah Sieu Min

MBBCh, FRCSEd (General Surgery)

FAMS General Surgeon

Executive Director and Chief Executive Officer

HC Surgical Specialists Limited

Dr Heah Sieu Min was appointed as the Executive Director and Chief Executive Officer of HC Surgical Specialists Limited on 1 September 2015. He is responsible for the overall management, strategic planning and business development of the Group.

Dr Heah started his career as a houseman in Ireland, before returning to Singapore where he served as a Medical Officer in Tan Tock Seng Hospital from 1992 to 1994. After moving to Singapore General Hospital (SGH) in 1994, he held various positions including Registrar of the Department of Colorectal Surgery, Associate Consultant of the Department of Colorectal Surgery and Consultant of the Department of Colorectal Surgery until 2004. He then spent approximately three years as a Consultant for colorectal surgery at Pacific Colorectal Centre, before starting his own private practice in 2007, the Heah Colorectal Endoscopy & Piles Centre. He has since opened various other clinics including Heah Endoscopy & Piles Centre (Bukit Batok) and The Endoscopy & Piles Centre (Hougang).

Dr Heah graduated from the National University of Ireland with a Bachelor of Medicine, Bachelor of Surgery in 1990. He is an accredited specialist in general surgery with the Ministry of Health, a registered specialist in general surgery with the Singapore Medical Council, and a fellow of the Royal College of Surgeons of Edinburgh as well as the Academy of Medicine Singapore. He has also been the recipient of several awards over the years including the SGH Service Quality Award, which he received consecutively for three years from 2000 to 2002.
