

## **NBS Alumni Leaders Dialogue: Empowering Women In Technology**

**Ms. Angeline Chua**

Chief Financial & Operations Manager

IBM ASEAN

Bachelor of Business (Financial Analysis)

Ms Angeline Chua is a professional with more than 19 years of experience in finance, strategic planning, business controls, and operations. She has lived and worked in mature markets such as Tokyo and New York, as well covered some of the fastest-growing economies in the world, including China, India, South America, Africa and ASEAN region. As Chief Financial & Operations Officer of IBM ASEAN, a position she assumed in July 2014, Ms Chua is responsible for all strategic, operational and financial management for the region.

Since joining IBM in 2001, Ms Chua has collaborated with leadership teams across the company to apply insights, analysis, and controls to drive IBM's strategic priorities and ensure that financial objectives are met. In the past 19 years, she has also built a reputation as a dynamic leader who is passionate about transforming the role of financial and operations professionals within IBM so that teams continually focus on delivering higher value through process improvements as well as embracing new technology and tools.

Prior to assuming the CFO role for IBM ASEAN, Ms Chua spent three years at IBM headquarters in Armonk, New York - first as Executive Assistant to IBM Controller, and then as Director of Strategy, Plan & Expense Consolidation for IBM Sales and Distribution organisation.

Ms Chua holds a Bachelor of Business degree in Financial Analysis from Nanyang Business School, Nanyang Technological University, Singapore and an Executive Master of Business Administration degree from Columbia Business School in New York. She enjoys playing sports and travelling during her free time.
