

## SAB Class of 1993 Bursary

Dear SAB Class 1993 Classmates,

To commemorate our Silver Jubilee and make the reunion an even more meaningful one, we would like to rally all classmates to come together and leave a lasting legacy in aid of our financially needy juniors at NBS. This fund will be named the [SAB Class of 1993 Bursary](#).

We have an ambitious target to raise \$100K which will allow us to endow the bursary fund in honour of the SAB Class of 1993. Every year, the endowed bursary fund will provide critically needed financial aid to support one deserving NBS undergraduate student pursue his/her education at NTU. We hope you will join us to give generously and help our juniors achieve their fullest potential and realise their dreams. Every dollar counts and your gift will also qualify for a tax deduction 2.5 times the gift value made in 2018. Thank you very much in anticipation of your generous support.
