

NBS Focus Point in Ho Chi Minh City

Panellist / Moderator:

Mr Michael Dang

President, Anpha Corporation

Founder, M.I.K Corporation

Class 2004, Bachelor of Electrical & Electronic Engineering

Class 2007, Master of Management in Hospitality

Mr Michael Dang is the President of Anpha Corporation and M.I.K Corporation - two leading real estate developing and consultancy firms, which are successful in developing luxury condominiums, villas and landed homes in Vietnam. He plays a role in setting up the unparalleled benchmark for expat's luxury living by developing awarding The Ascott Limited.

Mr Dang is also the Board Advisor of Hoa Binh Corporation, the largest private construction company in Vietnam.

Previously, Mr Dang was the CEO of Futa Corporation and Group CIO of Tuan Chau Group with projects in hospitality, tourism, entertainment, cruise-line, and real estate.

Mr Dang graduated from Nanyang Technological University with scholarships in Bachelor of Electrical and Electronic Engineering and Master of Management in Hospitality.
