STUDENT SERVICES

GWSB Global & Experiential Education Events

Each semester Global & Experiential Education organizes events specifically for GWSB exchange students. In previous years exchange students have visited the World Bank, White House, and International Monetary Fund. Students are matched with ambassadors to help them navigate student life at GW. These ambassadors are invited to attend all events with the exchange students.

Career Development

The F. David Fowler School of Business Career Center provides career advising services to all GWSB students, including exchange students. The GWorksSB database and recruiting events are restricted to GWSB degree-seeking students, however exchange students may request assistance with resumes, interviews, and other advising services for preferred careers. Because of restrictions on foreign nationals working in the United States, international students are encouraged to first talk with the GW International Services Office about the employment guidelines for their particular visa type.

International Services Office (ISO)

In addition to hosting the International Student Orientation, the ISO serves as the primary administrative, programming, and advising office for the GW international community, and in particular, international students. International students in the GWSB consult with a specific advisor in the ISO during their stay.

Campus Life

There are always a host of activities going on in The George Washington University community. Students can visit <http://gradlife.gwu.edu/> for more information. We recommend getting involved early to make the transition smoother and as a way to establish networks in the short amount of time you have here.
